Education

University of California, San Diego

B.S. in Computer Science

La Jolla, CA

Expected June 2030

Projects

Checko – AI Receipt Processing

[GitHub](#)

Python, FastAPI, React, TypeScript, Tesseract OCR, LLMs, Docker

- Built a Telegram Mini App that recognizes receipts with Tesseract OCR and uses an LLM to extract, categorize, and flag expenses eligible for tax deductions.
- Implemented semantic search over stored receipts.
- Developed the FastAPI backend and React/TypeScript frontend; containerized the service with Docker.

Face Detector

[GitHub](#)

Python, OpenCV, Computer Vision

- Built an application that detects and recognizes faces in surveillance-camera video, storing and matching known users against incoming frames.

Hackathons & Awards

Leaders of Digital Transformation Hackathon – Winner, X5 Group Track

2025

Moscow city government's annual hackathon, Russia's largest

- Built a system for benchmarking base language models on a custom tokenizer and training pipeline for X5 Group, Russia's largest grocery retailer.

AIJC AI Challenge – Prize Winner, T-Bank Track

2024

Team Lead / Russia's largest ML hackathon

- Led a team building *SpeechApp*, a deep-learning application that detects and corrects rhotacism and other speech impediments in recorded audio.
- Designed the end-to-end audio pipeline: feature extraction plus a neural network for speech-defect classification and correction. [\[GitHub\]](#)

Central University Bootcamp – 1st Place

2024

Team Lead

- Led a team building a ChatGPT-powered bot that runs interactive games inside Telegram group chats.

Courses & Certifications

- **Relevant coursework (self-study):** Stanford CS229 (Machine Learning), Stanford CS230 (Deep Learning), Harvard CS50AI
- **SAT Math:** 800/800
- **Machine Learning Specialization**, Yandex 2024
- **Python Programming**, Yandex Lyceum (2-year program) 2022 – 2024

Skills

Programming	Python, C++, Go, SQL
ML & Data	PyTorch, NumPy, Pandas, OpenCV
Backend & Tools	FastAPI, PostgreSQL, Docker, Git, Linux
Languages	English (fluent), Russian (native), Ukrainian (native)
